Ryan Stong: Web Developer
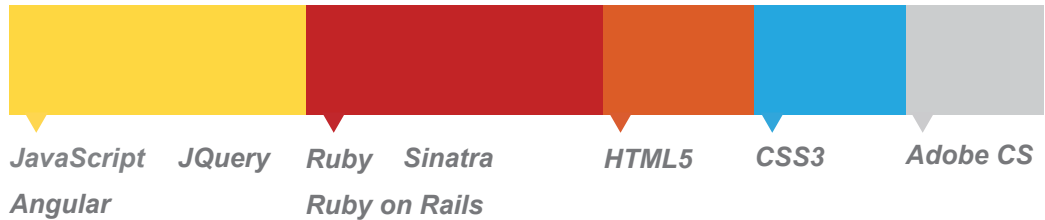

rvanstong@gmail.com / (714) 330-3199 / descartez.github.io / San Francisco, CA

ABOUT

I enjoy the technical and social - science, art, psychology, sociology - which enhance my creative skills and art. I love working in teams, making products which communicate their use and their purpose well. Looking for work that is both creative and challenging.

SKILLS

JavaScript   *JQuery*   *Ruby*   *Sinatra*   *HTML5*   *CSS3*   *Adobe CS*

Angular   *Ruby on Rails*

PROJECTS
